

Collingwood G&M Hospital Foundation

Thank you for joining our monthly giving program.

Your continuous support allows for our exceptional doctors and nurses to provide their patients with excellent care every single day at the Collingwood G&M Hospital.

For the Collingwood Hospital Foundation, your monthly donation provides a predictable source of funding to cover equipment needs for our patients. Also, we're able to reduce mailing and administrative costs, which means your contribution has a greater impact!

Thank you for making this important commitment to patient care.

A consolidated annual tax receipt for tax purposes will be issued to you at the end of each calendar year.

Donations will be processed on the 15th of every month.
